

STEAM ~ WHIRL

COMMERCIAL SERIES ACCESSORIES

LIGHT USE COMMERCIAL KIT

60 Minute Mechanical Timer :

- Mechanical Wind Up Timer
- Allows Customer Access to turn on/off the Steam Room
- Overrides TC-2 Setting

TC-2 Electronic Temperature Control:

- Easy to program Hi/Low Temp Sensor
- Works in tandem with 60 Min Timer
- Lockout Switch prevents tampering
- Fahrenheit or Celsius Scale

Steam Head and Escutcheon:

- Includes Aroma Therapy Oil Reservoir
- Available in 12 different finishes
- Compatible with both Steam Diverters
- Fits 3/4" Pipe

The Light Use Commercial Accessory Kit is packaged for the establishments that want to allow the customer access to turn on/off the steam room. This assures that the steam is being produced only when in use.

Use the TC-2 to set a hi/low temperature to operate when customers turn on the Mechanical Timer. The TC-2 settings will ensure the room does not reach above or below the set points. When the Mechanical Timer turns off, the unit stays off until the timer is turned on again.

HEAVY USE COMMERCIAL KIT

24 Hour 7 Day Time Clock :

- 24 Hour / 7 Day Control
- Does not allow customer access to turn on/off the Steam Room
- Works in tandem with TC-2

TC-2 Electronic Temperature Control:

- Easy to program Hi/Low Temp Sensor
- Works in tandem with 24 Hr/7 Day Timer
- Lockout Switch prevents tampering
- Fahrenheit or Celsius Scale

Steam Head and Escutcheon:

- Includes Aroma Therapy Oil Reservoir
- Available in 12 different finishes
- Compatible with both Steam Diverters
- Fits 3/4" Pipe

The Heavy Use Commercial Accessory Kit is packaged for the establishments that do not want to allow the customer access to turn on/off the steam room. This assures that the steam is continuously running during set times.

Use the TC-2 to set a hi/low temperature and the 24 hour 7 Day Time Clock to set the days and times the steam generator will operate. The TC-2 settings will ensure the room does not reach above or below the set points. All the customer has to do is enter the steam room and enjoy.
